RETAIL CLONE RETURN FORM

DESTRUCTION PROCESS: 5.4 Handling of Cannabis Waste at Retail Stores

5.4.1 Set up a designated area for the destruction of the cannabis plant, away from any public view
5.4.2 Put on gloves to protect your hands during the destruction process.
5.4.3 Using sharp pruning shears or scissors, carefully cut the plant at the base of the stem to separate it from the root system.
5.4.4 Place the severed plant in a sealable plastic bag, labelled with the date of destruction and batch number.
5.4.5 Dispose of the bag in the trash designated for cannabis waste.
5.4.6 Fill out form *F41-Retail Clone Return Form* and email to info@lifecyclebotanics.com within 24 hours of the destruction. Include photos as proof of destruction of the expired cannabis plant. The destruction must be witnessed by at least two employees of the retail store.
